MEMORANDUM FOR: Director, Foreign Broadcast Information Service

25X1 FROM:
                    Deputy Chief, Arms Control Intelligence Staff

25X1 SUBJECT: Commendation

1. The FBIS Analysis Group recently prepared three publication that deserve special praise for their content and timeliness. The papers were:

-- Gorbachev's Arms Control Plan: Breaking With the Past, FB 86-10002, 31 January 1986

-- Selected Soviet Statements on Verification of Disarmament, FB 86-10006, 14 February 1986

25X1
-- FBIS Trends, 21 February 1986

2. These publications not only continued the FBIS tradition of producing highly professional and insightful analyses of Soviet media treatment of key policy issues, but they also show a keen awareness of the needs of US policymakers for the right type of analysis at the right time. It was this sense of timing on the part of the authors and FBIS management that made it possible to disseminate this analysis in time to have a direct impact on
25X1 important US arms control decisions.

3. Please convey my thanks and congratulations for this excellent work
25X1 to   and all who participated in these projects.
